Rec'd 8/29/12

July 10, 2012

Board of Selectmen,

On behalf of the member of the Historic District Commission, I would ask that you consider appointing Jon Powers, the current advisor from Museums of Old York, as a full voting member. Jon's years as an advisor to the Historic District Commission, has proven his knowledge of care and maintenance of old buildings. He is a resident of York and we feel his input as a full voting member would best serve our town.

The Historic District Commission also currently has two unfulfilled positions. The appointment of Mr. Powers would prevent the lack of a quorum if one member is absent.

Now that the Museum of Old York's new director has arrived, it opens up the position of a new advisor from Old York to assist the Historic District Commission.

Respectfully Submitted,

Robert Cutts

Historic District Commission Chair

Why do you wish to serve? I am interested in getting involved with our community. We moved into town last July and really enjoy what we have experienced to date with the town. We have a young family that is planning to stay in York for the foreseeable future and would like become more involved with our community.

What expertise can you provide? Having been in the construction industry for almost 16 years I understand the process from design development, permitting, estimating, building, and closing out projects. I can use this insight to help guide York to making good decisions for future development.

Please check the Board(s), Committee(s), or Commission(s) you wish to apply to for membership consideration.
