Dear Kristi:

Thank you for submitting York County Stormwater Working Group's Behavior Change Plan per Municipal Stormwater Permit requirements. We understand this plan is for the five regulated communities Eliot, York, Berwick, South Berwick, and Kittery.

We are pleased to approve the plan submitted to DEP on December 20, 2014. We found the plan provided the needed detail and requested clarifications. We would like to remind YCSWG that should they identify problems or barriers to implementing the approved plan they should immediately contact DEP. Together we might be able to overcome the obstacle or develop alternatives to maintain permit compliance.

DEP staff is also available for technical assistance for all minimum control measures. For TA with MCM 1 and 2 contact Kathy Hoppe or Marianne DuBois, for TA on the remaining MCMs contact David Ladd.

Please feel free to contact us at any time.

Sincerely,

Kathy Hoppe
