MS4 Permit Requirements and Meetings:

We had our York County MS4 meeting on October 30, 2014. The group discussed updates for year two, which included, Pollution Prevention Good Housekeeping, IDDE, Construction/Post Construction Sites, and Public Education.

MS4 MINIMUM CONTROL MEASURES:

Public Education & Outreach on Stormwater Impacts:

Manned a Lawns 2 Lobster booth at Marketfest on October 17, 2014.

I attended Household Hazardous Waste day was held on October 25, 2014 at the Transfer Station on Witchtrot Road. Handed out approximately 75 Lawns 2 Lobster Brochures, and approximately 10 tote bags.

Public Involvement & Participation:

Illicit Discharge Detection & Elimination:

Steve Burns (Interim Town Manager), Dr. Steve Jones (UNH), Kristie Rabasca (MS4 Consultant), and myself met on October 9, 2014 to discuss EPA's letter dated September 26, 2014.

The Town responded to the EPA letter on October 27th outlining steps that will be taken to monitor and track the source of the bacteria/pharmaceuticals present in the sample results. Both letters are on the website.

[Construction Site Stormwater Runoff Control:](#)

There are currently no projects with soil disturbance greater than 1 acre.

[Post-Construction Stormwater Management \(New and Redevelopment\):](#)

[Pollution Prevention/Good Housekeeping for Municipal Operations:](#)

Training/Conferences Attended in October:

- Green Infrastructure Workshop – Wells, ME
- NEARC Conference – Mystic, CT

Respectfully submitted,

Leslie Hinz, Stormwater Manager
