1. Discussions of Communication Tower

Chairman Mary Andrews felt that not enough time had been given to the public to ask questions and for the board to address concerns in regards to the Communications Tower being placed on the Police Station lot. This meeting was set up to allow for that to happen. Police Chief Doug Bracy and Community Development Director Stephen Burns were present to answer questions from the board and citizens.

The following made comments:

Christina Mandravelis
Pamela Odice
Charles Stacy
Nancy Lambert
Deborah McDonald
Robert Blecker
Torbert MacDonald

There were many questions in regards to the cell tower, however many comments were in regards to the level of radiation that the tower will emit. There were concerns that the tower would cause health risks within a 1/2 mile radius. It was

suggested to the board that they look into the health risks associated with a cell tower.

Police Chief Bracy answered the questions that he could and will get back with answers to anything he was not sure of.

It was asked if the tower was a done deal and Ms. Andrews shared that she believed that the contract was signed and if they wanted to make any changes legal advice would have to be obtained.

Adjourn

Moved by Mr. Little, seconded by Mr. Fiorentino to adjourn at 8:56 PM.

Respectfully Submitted By:

Katie McWilliams; Recorder
