Hi Lee Jay,

Sorry for taking so long to respond, I wanted to talk with the Library on their programs scheduled in the Community Room first so I could get you accurate information.

From the regularly scheduled Town meetings perspective; the only Thursday that isn't taken with a regularly scheduled meeting, is the 1st of the month (and the 5th when the calendar falls that way).

This is the response from the Library regarding the availability from the standpoint of their programs:

"Kim and Robert have informed me that we're still working out scheduling for other Library programs in the upcoming months and the first Thursday of the month is a possibility for those. If you check back with us later in March/April, we should be able to confirm whether the room is available for the first Thursday in May and/or June. (Also, if the Kennebunk Room is an option for the PB, I can look into reserving that for them as needed)." I can schedule you for the April 3rd vacancy, but it looks like the future extra meetings on Thursdays will have to wait to be determined by the availability of the Library?

Good Morning Missy,

For the first act of business this morning I wanted to drop you a note and ask on behalf of the Planning Board to Please reserve the Library TV room for every Thursday through to the end of June at least for now. We do know that the Budget Committee will be meeting in there until mid March but that is only a few weeks out.

Thanks for your help
