## **Beware of Fake Planning/Code Department Emails and Invoices**

The Town of York is aware of a fraudulent email scam targeting individuals and businesses, falsely claiming to be from the "Planning & Zoning Commission" of the Town of York. **The Town of York does not have a Planning & Zoning Commission.** These emails are sent from [planning.yorkmaine@usa.com](mailto:planning.yorkmaine@usa.com), which is **not a legitimate Town of York email address.**

### ***Details of the Scam***

The scam email includes an attached fake invoice requesting a wire transfer payment. The invoice falsely uses the Town of York's logo and includes incorrect contact information. Also, the Town of York Planning and Code Departments **would not** request a wire transfer payment. These fraudulent emails are designed to appear official but are not associated with the Town of York in any way.

### ***What to Do***

1. Do not respond to the email or provide payment.
2. Verify any invoices or communications by contacting the Town of York directly or the Planning Department at 207-363-1000.
3. If you have sent money or feel you have been a victim of a scam, contact the York Police Department at 207-363-4444.

### ***How to Identify Legitimate Town of York Communications***

All official Town of York emails end with [@yorkmaine.org](mailto:@yorkmaine.org). Be cautious of any communication claiming to be from the Town of York that does not follow this format.

If you receive a suspicious email about the approval of a planning application or have doubts about an email's authenticity, please contact the Planning Department immediately at 207-363-1000. Thank you for helping keep our community safe from scams.

Sincerely,

Dylan L. Smith

York, ME Planning Director
