Accordingly, the Personnel Rules and Regulations have been prepared and provided to guide you and your fellow employees in your daily activities, including your responsibilities, rights and benefits as a Town of York employee. Your careful attention to this document will help to provide you with a rewarding and satisfying career in Town service.

Purpose

The purpose of the Rules and Regulations is to establish and set forth a uniform and equitable system of personnel administration governing employment with the Town of York. These Rules and Regulations apply to all non-bargaining employment positions not covered by collective bargaining agreements. This policy will supersede any previously existing personnel policy and will be reviewed every three (3) years.

Disclaimer

This policy sets forth some of the general procedures and policies currently in effect at the Town of York. Personnel policies and benefits by their nature are constantly under review as they are affected by changes in applicable law, regulations, economic conditions, and the way the Town does business. The Town therefore reserves the right to change provisions of this manual without notice when it deems the change to be in the best interest of the Town and its personnel. Neither this policy nor any of its provisions are intended to be part of a contract between the Town and any employee. If there is a question about a policy or procedure, please check with the Human Resources Director to confirm the Town policy in a particular situation.

GENERAL PROVISIONS

APPLICATION OF RULES AND REGULATIONS

The Town's workforce consists of both non-union employees and employees organized into collective bargaining units under Maine State Law. The General Provisions Rules govern the relationship between the Town and its employees. The Conditions of Employment outlines the benefits and policies between the Town and non-union employees. Standardized forms, definition of terms and procedures, as well as certain legal mandates such as equal employment opportunity, Workers' Compensation, Unemployment Compensation, and safety requirements, among other provisions contained herein, are intended to apply to all employees, unless inconsistent with a collective bargaining agreement.

GOAL OF PERSONNEL MANAGEMENT

The goal of personnel management in the Town of York is to:

- A. Provide effectiveness, economy, and productivity in delivering services to the Citizens of York;
- B. Encourage a commitment to professional excellence in serving the public and continue the professional development and upgrading of employee skills;
- C. Provide reasonable assurances that the duties and responsibilities of employees and the Town alike are respected;
- D. Afford fair and lawful treatment to all individuals desiring to enter Town service and to provide opportunity for advancement in Town service on the basis of skill, effort and performance, as determined through competitive process;
- E. Provide that employees receive nondiscriminatory treatment in all personnel processes;
- F. Expect that employees shall use their best efforts to fulfill their obligations to the Town and its citizens.

NON-DISCRIMINATION

The Town shall administer and implement these Rules and Regulations in a manner that shall not discriminate unlawfully against any person because of race, color, sex, marital status, physical or mental disability, religion, age, ancestry, national origin, sexual orientation, genetic history and information, or any other basis protected by statute.

AMERICANS WITH DISABILITIES ACT (ADA)

The Town of York is committed to compliance with the ADA and any other applicable Federal, State or local laws, which prohibit disability discrimination. An employee entitled to the protections of the ADA may request a reasonable accommodation of the Town of York to enable the employee to perform the essential functions of his/her job. Requests for reasonable accommodations should be addressed to the Human Resources Director or the Town Manager. All medical information and records concerning an employee's disability are considered confidential.

EMPLOYEE RECOMMENDATIONS

Suggestions for procedural modifications are encouraged. Employees are encouraged to submit written recommendations to the Employee Representative Group who will review and offer comments to the Town Manager for further evaluation and action as appropriate.

EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION

The Town of York does comply with the Equal Employment Opportunity Act and the Affirmative Action plan as voluntarily adopted by the Town of York.

RESIDENCY REQUIREMENT

The Town Manager may require that new employees reside within the Town of York, if the Town Manager makes a written finding that requiring such residency promotes the public health and safety, or improves the administration of Town government. Such findings must be included in the job posting for the specific position.

RECRUITMENT AND PROMOTION

Prior to advertising any vacancy, the Town Manager, Department Head and Human Resources Director, will complete a review of current work load demands and determine whether the vacancy needs to be filled, modified, left vacant or eliminated.

All permanent positions (full-time and part-time) will be advertised internally and externally for a period of not less than fourteen (14) calendar days. The posting shall include: position available, position description, salary range, minimum qualifications and shift assignments. Current employees are encouraged to apply for any position for which they may be qualified. When qualified, current employees shall be given equal consideration for an available position with external applications.

Employees who retire from their Town position, have met the eligibility requirements for a Town sponsored retirement plan, and are actively drawing a benefit, are ineligible for rehire for the same position from which they retired. A retired employee, as defined in this article, may only be considered for temporary and/or part-time positions for which they are qualified and were not in at the time of their retirement from the Town. Exceptions may be considered on a case by case basis at the discretion of the Town Manager based on a medical need.

CLASSIFICATION DESCRIPTION

A description will be prepared for each position. The description will outline the duties, responsibilities, education, and skill level requirements of the position. Each employee will receive a copy of his or her position description when hired.

ANNIVERSARY DATE/EMPLOYMENT DATE

The full-time employee's anniversary date is defined as the date of initial appointment to a full-time position. For the purpose of calculating total service and future step increases, the employee's anniversary date as defined in this policy shall be utilized. When an employee is promoted or moved to a new position, that employee will keep his/her initial anniversary date for use in calculating any future step increases.

RECORD KEEPING

Accurately recording time worked is the responsibility of every hourly employee. Federal and State laws require the Town of York to keep an accurate record of time worked in order to calculate employee pay and benefits. Time worked is the time actually spent on the job performing assigned duties.

Hourly employees should accurately record the time they begin and end their work, as well as the beginning and ending time of each meal period. They should also record the beginning and ending time of any split shift or departure from work for personal reasons. Overtime work must always be approved before it is performed.

Altering, falsifying, or tampering with time records, or recording time improperly may result in disciplinary action, up to and including termination of employment.

The supervisor will review and approve all time records before submitting them for payroll processing.

PERSONNEL FILES/RECORDS

The Human Resources Office is responsible for creating and maintaining centralized personnel files for all employees. That office will also retain files concerning applicants of Town positions and personnel files of former employees. Personnel files should include such records and information to document the employee's personnel actions during his/her employment with the Town.

Employee personnel files are considered confidential documents. Only those persons with the right to know or the need to know may have access to the personnel files. Any employee has the right to inspect

his/her personnel file or to receive copies of his/her own file. Requests to view or inspect centralized personnel files should be made in advance to the Human Resources Director

FREEDOM FROM HARASSMENT POLICY

Every employee of the Town of York has the right to work in an environment free from harassment, discrimination, and other inappropriate and unwelcome behavior. Harassment of any employee on the basis of his or her race, religion, color, national origin, age, gender, sexual orientation, marital status, veteran's status, physical, mental, or sensory disability, genetic history and information, or any other category protected under state or local laws is a serious violation of the Freedom from Harassment policy and will not be tolerated. In an effort to protect all employees from any form of harassment in the workplace and provide employees with a pleasant working environment, the Town considers this a zero tolerance policy. It is the policy of the Town that all employees be treated with respect and dignity.

If you feel you or other employees have been subjected to unwelcome harassment of any kind, you are encouraged to immediately identify the offensive behavior to the harasser and request that it stop. If you are uncomfortable in addressing the matter directly with the harasser, or if you do so and the behavior does not stop, then discuss the matter immediately with the Human Resources Director, Department Head, or any supervisor with whom you feel comfortable. Supervisors who receive a harassment complaint must immediately notify their Department Head. Department Heads and supervisors who receive a harassment complaint are to immediately contact the Human Resources Director.

All complaints will be investigated promptly, impartially and discreetly. Upon completion of the investigation, the appropriate parties will be notified of the non-confidential results of the investigation. Any supervisor, agent, or other employee who has been found to have harassed an employee will be subject to appropriate corrective action, ranging from a disciplinary warning to termination. No employee will suffer retaliation in any form for reporting instances of harassment or participating in a harassment investigation.

We trust that employees of the Town of York will act responsibly to maintain a pleasant working environment, free of discrimination and harassment, allowing each employee to perform to his or her maximum potential. The Town encourages any employee to bring questions he or she may have regarding this policy to the employee's Department Head, Human Resources or the Town Manager's Office.

Definitions

The definitions below are from the regulations adopted by the U.S. Equal Employment Opportunity Commission.

- **Sexual Harassment**: A type of harassment which occurs when verbal and physical conduct is sexual in nature or is gender-based, that is, directed at a person because of their gender. Unwelcome sexual conduct is sexual harassment when:
 - Submission to such conduct is expressly or implicitly made a term or condition of employment or,
 - Submission or rejection of such conduct is made either a term or condition of employment or,
 - Such conduct has the purpose or effect of interfering with an employee's work performance or creating an intimidating, hostile, or offensive working environment.

Sexual harassment includes: unwelcome verbal behavior such as comments, suggestions, jokes or derogatory remarks based on sex or physical behavior such as pats, squeezes, sexual gestures, and repeatedly brushing against someone's body, or impeding or blocking normal work or movement.

Other Categories Protected from Harassment: Under Maine and federal law, other categories (such as race, religion, color, national origin, age, gender, sexual orientation, marital status, veteran's status, physical, mental, or sensory disability, genetic history and information, etc.) are also protected from unwelcome harassment and hostile work environments. Conduct relating to an employee's membership in any such category constitutes harassment when this conduct:

Has the purpose or effect of creating an intimidating, hostile, or offensive working environment or,

Has the purpose or effect of interfering with an employee's work performance or,

Adversely affects an employee's employment opportunities.

Retaliation: Retaliation happens when an employee who has raised a complaint about harassment experiences a negative workplace consequence as a result of that complaint. Retaliation can include: poor performance reviews; longer work hours; "cold shoulder" or social isolation from the work group; threats from the accused harasser; transfer to a less desirable work location; or assignment of excessive work. If you feel you are a victim of retaliation, report the situation to your Department Head, Human Resources, or the Town Manager's Office.

An employee's intentions and motives are not the decisive factors in considering alleged harassment behavior. The effect of one employee's behavior upon another employee is the decisive factor. If an employee's behavior is considered to be offensive by another employee or if it has an intimidating effect upon another employee, then racial, sexual, ethnic, or religious harassment may be present. The welcomeness, frequency, and severity of the behavior determine whether or not harassment has occurred.

Inappropriate Behavior: It is the responsibility of each employee to engage in and promote workplace behavior that creates and maintains an environment of respect and promotes effective teamwork. It is likewise the responsibility of each employee to report behavior that damages this environment.

Horseplay, pranks and any other inappropriate, non-work related behaviors that impact a fellow employee's work performance will not be tolerated. Jokes (verbal, electronic, printed or in any other medium) that demean people (individuals) in any way or have sexual, racial, ethnic, or religious themes are inappropriate in the workplace and are strictly prohibited.

This policy prohibits behaviors that may not reach the level of illegal harassment as defined by the EEOC, but that nonetheless are inappropriate in the workplace. Such behavior includes bringing sexually explicit pictures, photographs, cartoons or objects to the workplace; repeated requests for dates, sexual bantering, jokes or teasing; sexual innuendoes, gestures or leers, obscene or abusive language; unwelcome terms of endearment such as "doll", "honey", "sweetheart" or "babe"; sending sexual, racial, ethnic, or religious jokes, cartoons, etc. on e-mail, faxes, etc.; and, using racial, ethnic or religious slurs or demeaning comments. Appropriate disciplinary action will be taken when violations of this policy occur.

Inappropriate behavior as defined by this policy shall be reported to the Department Head or the Human Resources Department immediately. The Department Head, in conjunction with Human Resources, will determine how the incident/allegation/complaint will be investigated. After completing an investigation, it will be determined whether or not this policy has been violated. The welcomeness, frequency, and severity of the inappropriate behavior will determine whether or not a violation of the policy has occurred.

Implementation: The Town of York is committed to preventing harassment and discrimination through education and dissemination of information, as well as employee accountability.

It is the responsibility of each employee of the Town of York to engage in and promote workplace behaviors that create and maintain an environment of respect and promote effective teamwork. It is likewise the responsibility of each employee to report those behaviors that damage this environment, especially those of a harassing nature.

Supervisors have a greater responsibility, not only to model respectful, professional conduct at the workplace, but also to maintain an environment of respect and effective teamwork in their work areas. As part of their supervisory responsibilities, supervisors are required to monitor the workplace for inappropriate behavior and actively prevent or stop inappropriate or unprofessional conduct in the workplace regardless of whether the conduct rises to the level of illegal harassment. If a supervisor becomes aware of any such conduct, he/she must take immediate and appropriate corrective action, including reporting and possible imposition of discipline, to end the conduct. Corrective action is required whether or not a complaint is made or the conduct appears to be welcome.

Human Resources or the Town Manager's Office may be consulted for advice and direction and must be contacted if a complaint is received, even if the complainant requests that no action be taken. Department Heads or supervisors who fail to fulfill their obligations under this policy may be subject to disciplinary action up to and including termination.

Complaint Process

An employee who believes he/she is the victim of harassment may file an internal complaint by contacting any of following individuals:

- Immediate supervisor or any supervisor in the chain of command; or
- Town Clerk at (207) 363-1003 x 272
- Human Resources Director at (207) 363-1000 x 232
- Town Manager (207) 363-1000 x 221

Every effort will be made to resolve complaints at the earliest possible level. If an investigation is warranted, it will be conducted promptly and with as much confidentiality as possible, respecting the rights of all parties involved. Confidentiality cannot, however, be promised or assured. All employees are required to cooperate fully in any investigation of harassment.

In addition to initiating an internal complaint, employees represented by a union may exercise any rights they may have under their union contracts. A discrimination complaint may also be submitted to the Maine Human Rights Commission.

It is not required that any of the above procedures be utilized first or in any sequence, nor is it required that any procedure be exhausted before another is issued.

SECONDARY EMPLOYMENT

Any full-time employee who engages in secondary employment that may present a conflict shall notify his/her Department Head. The Town Manager may determine whether an employee's secondary employment presents a conflict.

HIRING OF RELATIVES

The employment of relatives in the same department of an organization may cause serious conflicts and problems with favoritism and employee morale. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

Relatives of persons currently employed by the Town of York may be hired for full-time employment only if they will not be working directly for, supervising, or working in the same department as an immediate relative.

If the relative's relationship is established after employment, the Town Manager or his designee may transfer one of the affected employees if another position is available for which they are qualified.

In other cases where a conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment.

For the purposes of this policy, a relative is defined as spouse, child, parent, or sibling. Situations pertaining to this section which exist at the time of adoption of these policies shall be considered "grandfathered".

WORKPLACE THREATS AND VIOLENCE

The safety and security of the Town of York as well as the public who conducts business in the various municipal buildings is of paramount importance to the Town. Any person who makes substantial threats, exhibits threatening behavior, or engages in violent acts on Town property shall be removed from the premises as quickly as safety permits, and shall remain off Town premises pending the outcome of an investigation. The Town will initiate an appropriate response which may include, but is not limited to, suspension and/or termination of employment, and/or criminal prosecution of the person or persons involved.

All Town personnel are responsible for notifying his/her Department Head, Human Resources Director or the Town Manager of any threats which he/she has witnessed, received, or has been told that another person has witnessed or received. Even without an actual threat, personnel should also report any behavior witnessed which they regard as threatening or violent when the behavior is job related or might be carried out on a Town-owned site or is connected to Town employment.

MUNICIPAL VEHICLE OPERATION

It is the intention of this policy to ensure that proper safety practices in regard to operating town vehicles are being followed for the protection of employees and the public. This policy addresses safety practices and does not supersede, amend, or replace a regulation required any state and federal agencies or any regulation required by other agencies for insurance or other purposes. Individual Town department policies shall comply with the general provisions of this policy, but may deviate from the specific requirements depending on the department’s mission-specific operation and type of equipment operated.

To maintain safe and secure conditions for all employees and the public, the Town of York holds the right to review employee use of company assets including vehicles. The Town may use GPS devices to monitor staff driving behavior and/or techniques, including speed above posted limits, idling times, sudden acceleration, hard breaking, stop time and vehicle location. Town owned vehicles shall be operated in compliance with all applicable state and local laws and ordinances. Any tampering, attempts to remove or disable any GPS equipment is prohibited. Final authority in this matter shall rest with the Town Manager or his/her designee.

SMOKING POLICY

Employees may not smoke in Town vehicles or in Town buildings.

SAFETY POLICY

Personal injury places the Town of York at a disadvantage in its ability to provide the necessary services and functions to its citizens. Property losses place an undue burden on limited funds for services and general operations.

As an employer, the Town of York is legally responsible to ensure that mandated safety regulations are enforced. It is the Town's policy that mandated safety regulations will be complied with by all Town employees at whatever level. This is in the interest of both the Town and the employees.

The Town shall work on a Safety Policy for the Town.

RECEIPT OF GIFTS

A Town employee is prohibited from soliciting or accepting any gift, gratuity, favor, entertainment, loans, or any other item of monetary value from any person outside Town employment, whose interests may be affected by the employee's performance or nonperformance of his/her official duties.

FAMILY & MEDICAL LEAVE

As provided by the 1993 Family and Medical Leave Act (FMLA), all eligible employees shall be entitled to take up to twelve (12) weeks of unpaid, job-protected leave during any twelve (12) month period for specified family and medical reasons.

Covered Family and Medical Reasons

An eligible employee shall be entitled to twelve (12) weeks of unpaid leave during a twelve (12) month period for one or more of the following reasons:

- the birth or placement of a child for adoption or foster care;
- to care for an immediate family member (spouse, child, or parent) with a serious health condition;
- to take medical leave when the employee is unable to work because of a serious health condition;
- a serious health condition, which shall be defined as an illness of a serious and long-term nature resulting in recurring or lengthy absences. Treatment of such an illness would occur in an inpatient situation at a hospital, hospice, or residential medical care facility, or would consist of continuing care provided by a licensed health care provider.

An employee may take leave if a serious health condition makes the employee unable to perform the functions of his/her position.

Employee Eligibility

An employee shall be entitled to family leave when he/she meets the following criteria:

- The employee has worked for at least twelve (12) months for the Town. The twelve (12) months need not have been consecutive. *(If the employee was on the payroll for part of a week, the Town will count the entire week. The Town considers 52 weeks to be equal to twelve months.)*
- The employee must have worked for the employer for at least 1,250 hours over the twelve (12) months before the leave would begin.
- The employee must work in an office or worksite which employs 50 or more employees, or there must be 50 employees within 75 miles of the office or worksite. In this Town, all employees work within a 75-mile radius of Town Hall.
- When both spouses are employed by the Town, they are each entitled to twelve (12) work weeks of family leave for the birth or placement of a child for adoption or foster care, and to care for a parent who has a serious health condition.

Calculation of Leave

Eligible employees can use up to twelve (12) weeks of leave during any twelve (12) month period. The Town will use a rolling twelve (12) month period, measured backward from the date an employee uses any FMLA leave. Each time an employee uses leave, the Town computes the amount of leave the employee has taken under this policy, subtracts it from the twelve (12) weeks, and the balance

remaining is the amount the employee is entitled to take at that time. For example, if an employee has taken five (5) weeks of leave in the past twelve (12) months, he or she could take an additional seven (7) weeks under this policy.

Maintenance of Benefits

An employee shall be entitled to maintain group health insurance coverage on the same basis as if he/she had continued to work at the Town. To maintain uninterrupted coverage, the employee will be required to continue paying his/her share of insurance premium payments. This payment shall be made either in person or by mail at the Town Hall by the 21st day of each month. If the employee's payment is more than thirty (30) days overdue, the Town will drop the coverage.

If the employee informs the Town that he/she does not intend to return to work at the end of the leave period, the Town's obligation to provide health benefits ends. If the employee chooses not to return to work for reasons other than a continued serious health condition, the Town will require the employee to reimburse the Town the amount the Town contributed towards the employee's health insurance during the leave period.

If the employee contributes to a life insurance or disability plan, the Town will continue making payroll deductions while the employee is on paid leave. While the employee is on unpaid leave, the Town will request that the employee continue to make those payments, along with the health care payments. If the employee does not continue these payments, the Town will recover the payments at the end of the leave period, in a manner consistent with the law.

Vacation, sick leave and holidays will continue to accrue during an approved FMLA leave period. The use of family or medical leave will not be considered a break in service when vesting or eligibility to participate in benefit programs is being determined.

If an employee requires and is approved for additional leave beyond the 12 weeks of FMLA leave, vacation, sick, and holidays will be cease until the employee resumes working.

Job Restoration

An employee who utilizes family or medical leave under this policy will be restored the same job or a job with equivalent status, pay, benefits and other employment terms.

Use of Paid and Unpaid Leave

If an employee has any accrued paid leave (e.g., sick leave, vacation) remaining after the conclusion of the Family Medical Leave the employee may use such leave at the rate of full-time weekly scheduled hours (37.5 or 40) until all time is exhausted. Vacation and sick time will not continue to accrue, however, insurance, and retirement benefits will continue during that time.

PROCEDURES

Procedure for Requesting Leave

All employees requesting leave under this policy must complete the Family/Medical Leave Form available from the Human Resources Director or the Town Manager.

When an employee plans to take leave under this policy, the employee must give the Town thirty (30) days' notice. If it is not possible to give thirty (30) days' notice, the employee must give as much notice

as is possible. An employee undergoing planned medical treatment is required to make a reasonable effort to schedule the treatment to minimize disruptions to the Town's operations.

While on leave, employees will be requested to report periodically to the Town regarding the status of the medical condition, and their intent to return to work.

Procedure for Notice and Certification of Serious Health Condition

On occasion, the Town may require the employee to provide notice of the need to utilize leave (where it is possible to know beforehand) and/or may require the employee to provide certification of an employee's or immediate family member's serious health condition by a qualified healthcare provider. The employee should try to respond to such a request within ten (10) days of the request, or provide a reasonable explanation for the delay.

Qualified health care providers include: doctors of medicine or osteopathy, podiatrists, dentists, clinical psychologists, optometrists, and chiropractors, nurse practitioners and nurse-midwives authorized to practice under State law and performing within the scope of their practice under State law.

When seeking certification of a serious medical condition, an employee should ensure that the certification form (Form WH-381) contains the following:

Date when the condition began; expected duration; diagnosis; and a brief statement of treatment. If an employee is seeking medical leave for his/her own medical condition, certification should also include a statement that the employee is unable to perform the essential functions of the employee's position.

For a seriously ill family member, the certification should include a statement that the patient requires assistance and that the employee's presence would be beneficial or desirable.

If taking intermittent leave or working a reduced schedule, certification should include dates and duration of treatment and a statement of medical necessity for taking intermittent leave or working a reduced schedule.

If deemed necessary, the Town may ask for a second opinion. The Town will pay for the employee to get a certification from a second doctor, which the Town will select. If there is a conflict between the original certification and the second opinion, the Town may require the opinion of a third doctor. The Town and the employee will jointly select the third doctor, and the Town will pay for the opinion. The third opinion will be considered final.

CONDITIONS OF EMPLOYMENT

PERFORMANCE EVALUATIONS

Each Department Head, with the immediate supervisor, shall annually evaluate each regular full- and regular part-time employee within his/her department to determine if the employee is performing his/her job satisfactorily. The employee shall be given a copy of each evaluation and to be reviewed by the Department Head and immediate supervisor with the employee to discuss the evaluation, after which a copy shall be placed in the employee's personnel file.

Town Manager's Responsibility

It will be the responsibility of the Town Manager or his/her designee to design the personnel evaluation forms and distribute the forms to the Department Heads. It will also be the Town Manager's or his/her designee's responsibility to complete annual evaluations of employees under the Town Manager's direct supervision. Employees may be requested to do a self-evaluation with annual goals.

Purpose of Evaluation

The personnel evaluation forms will be considered by the Town Manager or his/her designee when salary increases, promotions, disciplinary actions, rewards, training programs, merit pay, or any other related personnel action is proposed.

In cases where the evaluations are the basis for wage/salary increases, the evaluation should be completed and submitted to the Town Manager at least fourteen (14) days prior to the effective date of said increase, which date shall coincide with the individual's anniversary date.

Step increases are not automatic, but are based on job performance. Should an employee receive an evaluation that results in no scheduled increase in pay due to an unsatisfactory job evaluation, the employee may request in writing a review of his/her performance in six (6) months to determine if there has been sufficient improvement to warrant an increase. If so, the maximum increase shall be one step on the pay scale and the increase shall not be retroactive.

ANNUAL ADJUSTMENT OF PAY SCALES

The Board of Selectmen will grant a cost of living increase in compensation to employees in the pay scale plan, effective July 1 of each year, in order to maintain the wage scales at a competitive level. The consumer price index in December of the previous year (CPI-W All items index, U.S. City Average) will be the indicator for the annual adjustment. Beginning July 1, 2017, the cost of living will be equal to the CPI-W for the 12-month period ending December of 2016 at a rate not less than 1% and not more than 5%. Beginning July 1, 2018, the cost of living will be equal to the CPI-W for the 12-month period ending December of 2017 at a rate not less than 0% and not more than 5%. The COLA will be reviewed if sufficient funds are not appropriated.

EMPLOYEE REPRESENTATIVES

The non-union employees of the Town of York shall be allowed representation by a group of at least five (5) employees of their choice to act on their behalf, in all bargaining, negotiations, grievances and/or any policy affecting employees, directly with the Town Manager. The Town Manager will conduct a meeting in January each year to discuss the CPI-W with the elected representatives. Either the Town Manager or the elected representatives may request a meeting at any time. This will enable lines of communication to be established to benefit the overall operation of the Town. Periodic meetings may be held with the Board of Selectmen as necessary. Representatives have the authorization to meet

during workday schedules. The employee representatives shall be elected on a two-, three- and four-year terms to ensure continuity in the representation process.

WAGE/SALARY PLAN

The wage and salary schedule together with a detailed history of benefits will be compiled into a compensation plan by the Town Manager and distributed upon request. Addendums “B” and “C” represent the hourly and salary pay schedules. Progression through steps is in accordance with current adopted pay scales. All non-union employees will receive their wages through electronic funds transfer (“Direct Deposit”).

RECLASSIFICATION

Department Heads may recommend to the Town Manager that an employee be reclassified to another salary grade within the salary schedule. A written recommendation for reclassification will clearly state the reasons for the recommendation with particular emphasis on how the employee’s duties and responsibilities will change, or have changed, to warrant reclassification. Reclassification will generally be submitted as part of the respective department’s annual budget request. The Town Manager will have sixty (60) days to make a decision in writing.

Furthermore, it is the responsibility of the Employee/Department Head to document participation or certification of courses, classes or special training in the employee’s personnel file.

PLUS RATES

In cases where an employee is required to temporarily perform duties and responsibilities of a higher classification, the employee may be paid at a rate within the salary range of the higher classification which provides an increase of at least five (5) percent above the employee’s regular base rate of pay. In order to be considered for plus rate payment, the assignment must be in excess of thirty (30) consecutive calendar days. Plus rates will be effective at the start of additional responsibilities. The recommendation to implement plus rate payment shall be made in writing by the Department Head or employee and must be reviewed and approved by the Town Manager.

DEMOTION

Employees may be demoted to a lower classification upon the recommendation of the Department Head and approval of the Town Manager. Reason for demotion shall include, but not be limited to the following: request of the employee; departmental staffing needs; poor performance of the employee; or as the result of disciplinary action.

LAY-OFF AND RE-CALL

If it is deemed necessary to reduce the number of employees, lay-off shall be made within each department by classification on the basis of anniversary date, except that the Town Manager may lay-off a more senior employee only when a less senior employee possesses a skill or certification necessary for the function of the department. Employees who are laid off will be the first to be considered for re-employment within twelve (12) months of a lay-off, and total time in service shall be fully restored. Any benefits paid at the time of lay-off shall not be restored to the employee.

CALL-IN

Full-time hourly employees called into work on a scheduled day off shall be paid for a three (3) hour minimum at time and one half their regular rate of pay and/or compensable time, to be worked out with their immediate supervisor or Department Head. This provision does not apply to scheduled overtime or holdover periods.

Effective July 1, 2017 the stand by paid will increase to \$16.50 per day. Effective July 1, 2018 the stand by pay will increase to \$17.00 per day. Effective December 1st, 2019 the Stand-By pay will increase to \$24.00 per day for Saturday, Sundays and holidays as long as the employee response time is within forty-five (45) minutes of being called in to work. Should an employee not respond within the required time he/she will forfeit the stand-by pay for that day.

Stand by will normally commence on December 1st and run through March 31st. The Town reserves the right to start the stand by pay earlier or be extended at the discretion of the Department Head.

SCHEDULING

The Department Heads, with the approval of the Town Manager, will establish the regular work week. The regular work week for departments operating in the Town Hall is defined as not less than 37.5 hours, not more than 40 hours, as determined necessary for efficient departmental operations by the Town Manager. The pay period consists of seven (7) days commencing at 12:01am on Monday with payment for hours worked during such period being made on the Thursday following the pay period. In the event that the workweek is permanently altered, the employee will be notified at least two (2) weeks prior to the effective date of change whenever possible. Sick days shall not be included in the calculation of hours worked for the purpose of determining overtime unless it is a call-in situation. In the event of a call-in, sick days will be used to calculate the hours beyond 40. Employees receiving paid compensatory time off shall earn such time at the rate of one and one half (1 ½) hours off for each hour worked.

With supervisor's permission, hourly employees can earn compensatory time at the rate of one and one half (1 ½) hours off for each hour worked in excess of 40 hours of earned time. (Earned time includes vacation and holiday time only and does not include other kinds of leave.) The maximum compensatory time accumulated at the end of any month may not exceed forty (40) hours, with a one-time exemption per fiscal year for extenuating circumstances with the permission of his/her supervisor.

Executive and Administrative salary employees do not earn compensatory time. Employees on salary work based on their job, not the number of hours they put in. Many times they have to work nights, weekends or whatever the job entails over 40 hours a week without getting paid extra for this.

The Town will not unreasonably deny the use of any request for time off. The first forty (40) hours of leave taken annually will be considered leave pursuant to Maine's Earned Paid Leave law.

Accrual of Earned Paid Leave: Eligible employees are entitled to earn one hour of paid leave for every 40 hours worked, with a cap of 40 hours in one year of employment. Accrual of this leave begins at start of employment and accrued throughout the year. Unused leave may carry over year to year (the maximum accrual remains 40 hours).

Use of Earned Paid Leave: Once eligible employees have been employed for 120 calendar days, they may use EPL for any reason and can use EPL in increments of 1 hour. EPL will be paid at the employee's regular rate of pay as established in the week immediately prior to taking Earned Paid Leave.

SICK LEAVE

Regular full-time and part-time employees shall accumulate one day of sick leave per month accumulative to 90 days. After 90 days are accumulated an employee will be paid at the end of each calendar year for 50% of unused sick days over the 90 days (not to exceed 6 in any one year).

Any remaining time over 90 days will be credited for one (1) hour personal time off for each day returned (up to a max of 6 hours) to be used for personal leave only, not for reimbursement purposes. Personal hours will be used at a time mutually agreeable between the employee and his/her supervisor. Any unused personal hours will be sacrificed upon termination or retirement, there is no cash value for personal hours.

The Town will give employees the opportunity to participate in a Retirement Health Savings Plan (RHSP). Sick leave pay for time over 90 days can be directly submitted to the plan adopted by the Town of York through the ICMA Corporation. A one-time option will be made available to convert sick hours into the RHSP. Employees will be able to convert one half of their sick time over 50 days with this option. Thereafter, a maximum of 20 days of an employee's sick time over 50 days can be converted in any one year. After such a conversion, fifty days would then become the maximum and employees would be eligible to be paid for sick days over fifty rather than the ninety in the manner prescribed above. Employees will also have the option to make a one-time election to contribute through payroll deduction to this plan subject to the rules or conditions of the RHSP as adopted by the Town.

Sick days are for sick time only. Sick days may be used for illness, necessary medical or dental cases or other disability of the employee or immediate family. Absences which are not medically related cannot be charged as sick time. Once an employee has exhausted all available sick time, pay will terminate, as negative balances will not be allowed.

After five (5) consecutive sick days, the employee must provide verification from a physician. The Town Manager or Department Head has the authority to approve sick time to be used if there is an illness with an immediate family member (immediate family member is described under bereavement leave).

Employees who have accumulated days in an established reserve as of 12/31/95, shall retain said days. No further accrual shall occur.

SICK LEAVE BANK

The Town of York sponsors a Leave Bank program. The purpose of this program is to permit eligible employees to voluntarily donate a portion of their accrued but unused sick time balance to the Leave Bank to be used to assist another Town employee who has suffered a non-work-related Medical Emergency, has exhausted their sick leave, vacation, and comp. time hours and would otherwise suffer a substantial loss of income as a result of taking unpaid leave. For purposes of this Policy, a Medical Emergency is defined as a non-work related, unexpected medical condition of the employee or a family member of the employee that will require the prolonged absence of the employee from duty and will result in a substantial loss of income to the

employee. For example, elective surgery does not qualify as a Medical Emergency, however complications arising from an elective surgery resulting in a serious medical condition may qualify as a Medical Emergency.

EMPLOYEES ELIGIBLE TO DONATE SICK LEAVE

All regular full-time and regular part-time employees will be considered eligible to participate in the Sick Leave Bank program after 6 months of employment.

In December each year, and at such other times as may be approved by the Town Manager, the Human Resources Director will ask all employees who are eligible to participate in the program if they would like to donate any accrued but unused sick leave to the Sick Leave Bank. Donations of sick leave are irrevocable, meaning that once time is donated it will not be returned to the donor-employee. Employees may not designate a particular employee to receive their donated leave.
