

**CERTIFICATION OF COMPLIANCE
WITH SUBDIVISION AND SHORELAND ZONING REQUIREMENTS**

_____, with a mailing address of _____,
(insert name of applicant)

_____, a telephone number of _____,
(mailing address)

_____, a **notification number** of _____,
(telephone number)

have (has) requested utility services at _____
(insert street and town, map and lot, or other identification of the location of installation)

Maine statutes, Title 30-A M.R.S.A. §4406(3) and Title 38 M.R.S.A. §444 require utilities to obtain the following certification from municipalities prior to installing service except as stated above. Therefore, I (we) request that an appropriate municipal official (usually the Planning Board or Code Enforcement Officer) provide the following certification so that the applicant can get utility service.

Certification

I certify that:

all local permits and/or approvals, if any, required under Title 30-A M.R.S.A. Chapter 187 (the subdivision and land use statute), have been issued by the appropriate municipal official(s) and are current: and

all local permits, if any, required under Title 38 M.R.S.A. Chapter 3 (the shoreland zoning and water protection statute) have been issued by the appropriate municipal official(s) and are current.

Date

Signature: _____

Title: _____

Central Maine Power Company appreciates your cooperation in providing this certification so applicant can be served.

Please return this certification to Central Maine Power Company

Central Maine Power
205 Center Rd
Fairfield, ME 04937

Or CMP Fax 207-629-4752

Or e-mail: lineclerknewservice@cmpco.com

Getting Connected

Dear Valued Customer:

This information is designed to help you understand the steps involved in establishing electricity service. Throughout this process, the CMP Team will work with you to make sure that we serve you in a timely manner. The checklists in this packet are designed to walk you through the steps. We hope you find them helpful!

You may choose to have CMP or a private contractor build a line extension for you. No matter what you decide, this packet will help you through the process and we will be available to help you every step of the way.

Getting started

- Please call our New Service Team to set up your new account right away at **1-800-750-4000** (for residential customers), or **1-800-565-3181** (for commercial/industrial customers).
- **Please contact your telephone company now so that telephone and electricity service can be coordinated.**
- If you are planning to do some of the electrical wiring yourself, please call us for a copy of the *Handbook of Requirements* to help guide you.

We're here to help you

Our New Service Team is available **Monday — Friday, from 7:30 am to 4:00 pm**. Please don't hesitate to call us. Working together, we can ensure prompt service for you.

Watch for this symbol

We will mark any material related to your new service with this symbol. That way you'll easily recognize items related to this project in your mail.

Thank you. We look forward to meeting your electricity delivery needs.

Sincerely,
Your New Service Installation Team
